I used to think fans of 'oldies' music were sad.

But now I listen to 'classic' 80s music.

and relive feeling cool and skinny

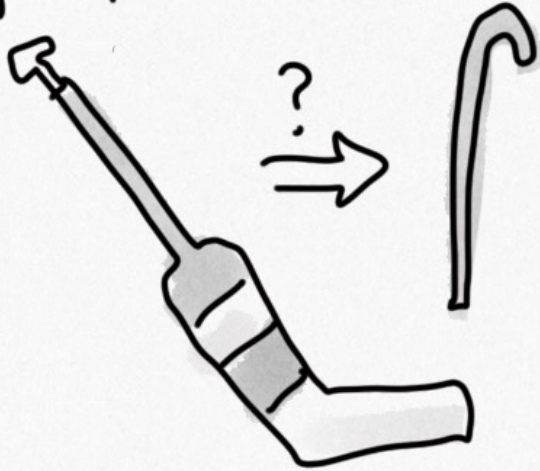

even though I was never either.

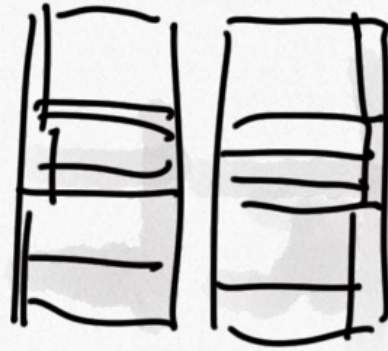

@raymondsbrain

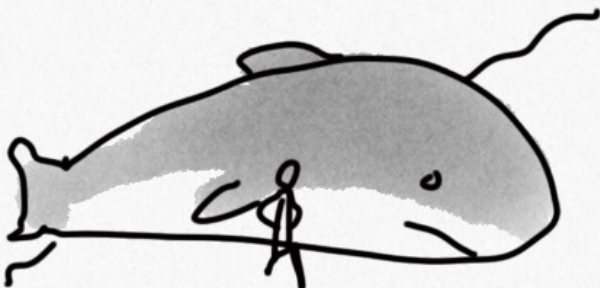

I don't know how much longer I can play hockey.

But I bought some new-to-me pads anyway.

The SALES guy  
said the plug-in  
Hybrid had a  
government rebate.

Combined with  
the trade in  
value of our 'old  
car' made it a great  
deal.

The SERVICE guy  
said more systems  
means more possible  
PROBLEMS.

So our 'old car'  
seems fine for  
now.

WUHAN has become known as the centre of a coronavirus.

It is in the vicinity of the 3 Gorges dam,

and Mao Zedong's villa.

Most importantly, it was where we picked up our daughter.

@raymondsbrain

I'm a cartoonist slash writer slash educator. Any questions?

How much money do you make?

Are you happy?

Am I going to die?

@raymondsgin

The dog is so relaxed.

The kitchen is so clean.

We can watch a whole show, uninterrupted.

No one is screaming curses at me.

@raymondsbrain

Come to our Cultural Sensitivity workshop so you can avoid accidental racism.

Is the speaker white?

Race shouldn't matter.

Sensitivity in action.
